

2024 COMMUNITY CHRISTMAS HAMPERS

This year the following organisations will be working together to ensure we can help as many people as possible during the Christmas season:

 Canberra City Care	 St Johns Care Reid	 UnitingCare Kippax
<i>In person preferred or call 6196 8630</i>	6248 7771	6254 1733

If you feel that you are going to be experiencing a time of financial hardship and need assistance with providing food for your family, you can receive a food hamper and special Christmas treats from one of these organisations, as well as Christmas gifts from the Present Room.

You will need to provide some form of identification, such as a **Medicare card**, that shows the members of your household as only one hamper (and gifts if applicable) will be given to each household unless otherwise decided by the organisation.

The participating organisations use a joint database for the Christmas campaign bookings. Once you have made a booking with one of the above organisations, you must collect the hamper from them.

**To reserve a hamper this Christmas and to make a booking for a collection time,
please call and register at one of the agencies listed above.**

Hamper registrations are open from

Monday 4th November

Christmas hamper collections are open from

Monday 2nd December

Please note that hamper collections are subject to each individual organisation opening days and hours. The organisation may allocate a specific date/time for your hamper collection.

We appreciate you helping us as we try to meet the needs of as many households as possible over the Christmas season.

Christmas Savings Idea

*If you're able to put \$5 per week aside in a jar or envelope from October through to Christmas,
you can save around \$50 to put towards Christmas groceries or gifts.*
