CHRISTMAS FOR EVERYONE

700 HAMPERS, ONE COMMUNITY

An invitation to help local families share in Christmas

Dear Supporters,

Last Christmas, your generosity helped us provide over 700 Christmas hampers and thousands of gifts for local families. Thank you for making that possible.

Christmas is often made memorable by simple things: sharing a meal, opening a gift and spending time together. But when everyday expenses are already stretching household budgets, the additional cost of Christmas food and gifts can bring extra pressure.

Here in Belconnen, we see what people can achieve when they look out for one another. This year, through our Christmas for Everyone appeal, we are bringing the community together to do it again: another 700 Christmas hampers, along with gifts and vouchers for local children and teenagers.

Will you join us? A gift of $75 funds one hamper. Here is how your donation can help:

$25	$40	$75	$140
Two gifts for a child	**Gift voucher for a teen**	**Christmas hamper for a family**	**Gifts + hamper for a family**

A Christmas hamper may not solve every financial challenge, but it can ease some of the cost of Christmas. Every contribution helps turn community generosity into practical support.

You can also become a Christmas Champion by sharing the appeal with friends, colleagues, your club or community group.
